Community Legacy Grants

Village Hall Refurbishment 2020

The community of Dodderhill Parish has the opportunity to apply for up to **£300,000** to refurbish Wychbold Village Hall in School Road.

- Investing in the Hall for the future
- Eco friendly improvements to keep running costs down
- Additional rooms for hire
- Community activity space

A first round application to the Wychavon Community Legacy Grant fund has been successful and the Parish Council now need your help!

We need volunteers to help deliver surveys to households, shops and businesses to act as drop off points for surveys and people with experience in writing funding bids.

The Parish Council need to match fund any award from the Community Legacy Fund and currently have some New Homes Bonus and “section 106” money available. However, we need to apply for more funding to make this project come to life.

If you think you can help, please contact the parish clerk, at clerk@dodderhillparishcouncil.co.uk or leave a message on 07929 213117
